## Elementary iPad Drivers License Test \_\_\_\_\_

*Let's find out if you are ready to use this device to **learn!***

1. When the teacher talks, what should you do with your iPad?
2. How do you know which iPad you are to use?
3. How do you know what you should be working on when on the iPad?
4. How many times should your teacher tell you a direction?
5. What happens if you choose not to follow directions with the iPad?
6. Describe the type of personal information that should be shared when using the iPad?
7. How should you carry the iPad?
8. What should you do if you notice something is "wrong" or "different" on your iPad when you turn it on?

DO NOT GO ANY FURTHER.
